

ADVENTURES OF AN AMAZON EXPLORER

Program excerpt - **Travel Channel special**

Many dream of great adventure in distant lands, but few dare to wander far from home.

Professional Adventurer Arno Calderari lived that dream. Casting aside modern comforts, he pursued his quest for excitement and discovery.

Driven to explore and drawn to danger, his travels would lead him on an incredible journey into a world untouched by time and unknown to outsiders. His world—and theirs—would be forever changed.
